

**The Department of Theatre**  
***University Theatre***

To: Cast and Crew Members in University Theatre Productions  
From: Kathy Pryor, Managing Director  
Subject: Insurance Acknowledgement

---

As you may know, State of Kansas agencies (including the University of Kansas) are not insured; therefore, the Department of Theatre does not carry an insurance policy. We would like to encourage you to maintain health and accident insurance coverage while participating in University Theatre activities. While it is not mandatory for you to do so, it would be to your benefit in case of injury. In most cases, students need to be responsible for their own medical expenses resulting from injuries suffered while participating in University activities.

Below is a statement concerning information that we would appreciate having you sign, simply acknowledging that you are aware of the situation concerning health insurance.

Please do not hesitate to contact the Managing Director Kathy Pryor ([kpryor@ku.edu](mailto:kpryor@ku.edu); tel. 864-2695) if you have any questions about this acknowledgement.

***Release Form***

In consideration of my being allowed to participate in a University Theatre production, I release and hold harmless the State of Kansas, the University of Kansas and their officers, employees and agents from any and all claims, losses, damages and liabilities relating to or arising out of my participation in University Theatre activities.

I understand that it is my responsibility to cover all medical expenses and other losses that may be incurred as a result of or arising out of my participation in a production of the University Theatre
